Michael Farrell - Lead Instructor mfarrell@toptierinstruction.com

The Top Tier Instructional Team (TTI) is a group of highly skilled and dedicated professionals who serve as key responders, delivering essential foundational and advanced training to our nation's response force. With a collective experience spanning over three decades, TTI brings a wealth of expertise in critical areas such as fire response, emergency medical services, tactical medical procedures, hazardous materials response, and incident management.

With customers ranging from the United States Secret Service to DC Fire and EMS; TTI is committed to excellence and understands that the effectiveness of any response force hinges on the quality of their training. We continually strive to provide the very best educational experience to each and every customer we serve. Our dedication to excellence is not just a promise; it's a core value that prices our instructional approach and ensures that our training programs remain at the forefront of industry standards.
